

Fighting in Schools: Prevention and Intervention Online Training Program

Our E-Learning Programs are **FREE** to all CIRMA members.

Course Description:

Fighting in schools is not a new phenomenon. As long as there have been schools, there have been fights between students. Unfortunately, fighting is a problem that will never go away completely. For this reason, at some point as an educator you will likely witness and need to intervene in a fight between students.

In this course the learner will obtain knowledge regarding how to recognize the most common reasons school fights occur, identify the steps to take should you encounter a fight in progress and finally, understand the impact that cell phones and the Internet have had on school fighting.

Time: Approximately 30 minutes [Preview the Fighting in Schools: Prevention and Intervention online training program here.](#)

Learning Objectives:

- Recognize the most common reasons school fights occur.
- Identify the steps to take should you encounter a fight in progress.
- Understand the impact that cell phones and the Internet have had on school fighting.
