

Understanding Depression and Bipolar Disorder Online Training Program

Our E-Learning Programs are **FREE** to all CIRMA members.

Course Description:

Mood disorders are the most commonly diagnosed of all the mental disorders. Depression and bipolar disorder can affect anyone and have a significant impact on his or her daily life. Understanding the signs and symptoms of these two conditions will help you to identify potential warning signs in yourself and that of others. There are many effective treatments available in the battle against depression and bipolar disorder along with many resources available to seek help.

Time: 1 Hour [Preview the Understanding Depression and Bipolar Disorder online training program here.](#)
