

CIRMA E-Learning Center

Disciplinary Action and Procedures Online Training Program

Our E-Learning Programs are **FREE** to all CIRMA members.

Course Description:

For any organization to be successful, work rules need to be followed and job performance has to meet acceptable levels. When this does not occur, steps need to be taken that will change behavior or performance to meet the organization's needs.

This course will educate managers on the importance of rules and discipline in the workplace and will help them identify steps in the progressive disciplinary process.
