

CIRMA E-Learning Center

Use of Force for Law Enforcement Online Training Program

Our E-Learning Programs are **FREE** to all CIRMA members.

Course Description

A law enforcement officer's job can turn deadly in a heartbeat. In dangerous situations, you must know your options for protecting yourself. In this course, you will learn to recognize the constitutional issues regarding use of force, understand the limitations that exist regarding the use of force and learn to identify the different levels of force available to you as a law enforcement officer.

Time: Approximately 30 minutes [Preview the Use of Force for Law Enforcement online training program here.](#)

Learning Objectives:

- Recognize when both deadly force and non-deadly force options are justified
- Understand the concept of "reasonableness" as it relates to the 4th Amendment of the US Constitution
- Recognize why use of force continuums can make use of force decisions take longer

Key Topics Include:

- The 4th Amendment
- The Use of Force Continuum
- Continuums in Court
- "Objective Reasonableness"
- Tennessee v. Garner and Fleeing Felon
- Deadly Force
- Non-Lethal Force
- Training and Understanding is Critical
