Hazmat First Responder Awareness - Level 1 Online Training Program

Our E-Learning Programs are **FREE** to all CIRMA members.

Course Description

This 2 hour Hazmat online course provides the necessary training to meet the Federal OSHA HAZWOPER training requirements of 29 CFR 1910.120(q)(6)(i) and 29 CFR 1926.65(q)(6)(i) for the EPA and State OSHA regulations. This Hazmat First Responder Awareness course assists the first responder in recognizing the hazardous substance and understanding how to respond.

Time: Two hours [Preview the Hazmat First Responder Awareness - Level 1 online training program here.](#)

Learning Objectives:

At the end of this 2 hour training course, first responders at the awareness level shall have sufficient training or have had sufficient experience to demonstrate competency in the following areas:

- Preparation for response to hazardous substances, and the risks associated with them in an incident.
- The ability to recognize the presence of and identify hazardous substances in an emergency.
- The role of the first responder awareness individual in the employer's emergency response plan.
- The ability to realize the need for additional resources, and to make appropriate notifications to the communication center.
- The ability to handle certain Hazmat situations, and their special considerations and concerns.
