

# CIRMA E-Learning Center

## Emergency Preparation and Egress Online Training Program

Our E-Learning Programs are **FREE** to all CIRMA members.

### Course Description

Most people don't think logically during a crisis. For that reason, it is important to have a plan in place before an emergency occurs.

This course will help your employees recognize how to prepare for and respond to an emergency in the workplace. It will also help them identify the components of an Emergency Action Plan and understand proper exit and assembly procedures.

**Time:** Approximately 30 minutes [Preview the Emergency Preparation and Egress online training program here.](#)
