

CIRMA E-Learning Center

Dump Truck Safety Online Training Program

Our E-Learning Programs are **FREE** to all CIRMA members.

Course Description

In addition to the all familiar carrying, dumping, and spreading of various loads, dump trucks can be outfitted with a wide array of attachments to make it, without question, the workhorse of the job site. Because they are so common, they have far too often been the source of serious injuries and fatalities. This one-hour course will review the safe work practices dump truck drivers must follow to prevent these tragedies.

Time: One hour [Preview the Dump Truck Safety online training program here.](#)

Learning Objectives:

At the end of training, you will be able to understand the following about dump truck:

- Hazards
