Ethical Behavior for Local Government Online Training Program

Our E-Learning Programs are **FREE** to all CIRMA members.

Course Description

An understanding of ethical behavior is critical due to the fact that, regardless of what your role in local government maybe, your work is done in the public eye. As a result, expectations regarding your job performance are held to a higher standard than your counterparts in the private sector.

In this course, we will define ethical behavior, provide examples of work situations where a thorough understanding of workplace ethics may be applied, and ways in which you can determine if your decisions and behavior are meeting the appropriate standards.
