

CONNECTICUT INTERLOCAL RISK MANAGEMENT AGENCY

Operations and Underwriting Committee

MISSION STATEMENT

The Operations and Underwriting Committee was established by the Board of Directors. Membership is comprised of municipal officials from CIRMA-member municipalities and local public agencies who have been appointed by the Board.

The Committee has the following responsibilities:

- Review and recommend underwriting policy to CIRMA Board of Directors for all CIRMA programs.
- Assist in evaluating CIRMA's underwriting and risk-financing for all products and services.
- Participate in development of new products by providing recommendations and feedback to CIRMA staff during the concept, development, and implementation stages.
- Review the recommendations of other CIRMA committees that pertain to underwriting and other responsibilities of the Operations & Underwriting Committee.
- Assist CIRMA staff in identifying the risk management and risk financing needs and opportunities specific to Connecticut municipalities and local public agencies.
- In conjunction with the Risk Control Advisory Committee, School Districts Advisory Committee, and Claims Advisory Committee, review the loss experience of CIRMA and of CIRMA-member municipalities and local public agencies to identify loss trends, and recommend responsive activities by CIRMA.
- Assist in promoting best practices among Connecticut's municipalities and local agencies with respect to risk management, including safety and loss prevention.
