

CONNECTICUT INTERLOCAL RISK MANAGEMENT AGENCY

Risk Management Advisory Committee

MISSION STATEMENT

The Risk Management Advisory Committee was established by the Board of Directors. Membership is composed of municipal officials as well as individuals from the private sector. Members are appointed by the Board of Directors for a two-year term.

The Committee oversees CIRMA's risk management programs and has the following responsibilities:

- Recommend risk management programs such as training programs, workshops, standards, and guides to be followed by CIRMA members.
- Review audits of member risk management programs and compliance with loss control standards.
- Review loss experience of CIRMA pools and recommend programs to reduce losses.
- Review regulatory requirements and recommend ways for CIRMA to help members with understanding and compliance.
