

K-9 Officer Coverage

PROPERTY COVERAGE FOR K-9 UNITS

K-9 Officers are on the front line of law enforcement in an increasingly dangerous environment. They perform drug search and seizure operations, pursue and apprehend violent offenders, and help control crowds. They are loyal, hardworking members of the law enforcement team.

CIRMA protects its Liability-Auto-Property members' K-9 units from financial loss if a K-9 Officer is injured or killed while engaged in law enforcement duties. There is **no additional charge** for this coverage.

REPLACEMENT COVERAGE

CIRMA's K-9 Officer coverage ensures the ongoing operation of the unit and public safety by **providing replacement coverage of up to \$25,000**, including **travel costs** to acquire the dog and **training costs** when a dog is killed or must be retired because of injuries sustained while engaged in law enforcement duties.

EMERGENCY VETERINARY CARE COVERAGE

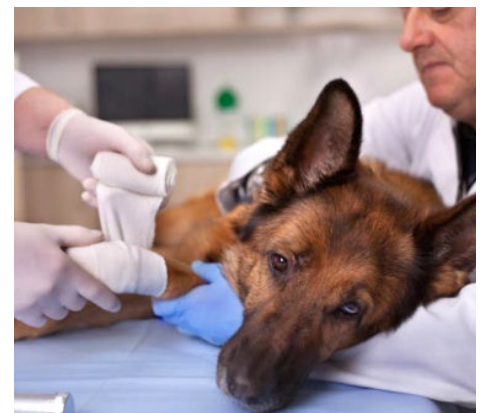

K-9 Officer coverage also includes **benefits for emergency veterinary care of up to \$5,000 per covered injury**, helping to protect your budget and assuring that a wounded K-9 Officer gets the veterinary care he or she needs.

PROTECTING THE UNIT

Rising costs, including emergency veterinary care and replacement, remain a hurdle to K-9 unit funding. Many units rely on public fund raising to help pay for the costs of operating the unit. Any police

department that has hesitated to start a unit because of the financial risk is now assured that their investment will be protected and that the unit can continue to operate even when a dog is injured or is killed in the line of duty.
