

IAN HAVENS, ARM

Supervisor, Risk Management Services

Connecticut Interlocal Risk Management Agency (CIRMA)

Before joining CIRMA in June 2016 as a member of the Risk Management department, Mr. Havens gained experience working in both the Claims and Actuarial departments at an international life and health insurance company.

While at CIRMA, Ian has embraced a quantitative risk management approach in developing predictive loss models to identify various potential risks and exposures. Havens earned his Bachelor of Science in Actuarial Science from St. John's University and has holds an Associate in Risk Management (ARM) designation.
