

Jeff Joseph, ARM
Risk Management Consultant
Connecticut Interlocal Risk Management Agency (CIRMA)

Jeff Joseph graduated from St. John's University in 2011. He has accumulated over a decade of experience in Safety and Process Improvement within the Logistics Industry and his Army National Guard service.

Since joining CIRMA in 2021, Jeff has used his knowledge and risk management training to assist municipalities with regulatory compliance through training and assessments of their buildings and properties.

Jeff holds the Associate in Risk Management (ARM) designation.
